A wireframe for a registration form. It features a central white rectangular area on a light gray background. Inside the white area, the word "Register" is centered at the top. Below it are two input fields: the first is labeled "Username" and the second is labeled "Password". At the bottom of the white area is a gray rectangular button with the word "Register" in white text. Below the white area, centered on the gray background, is a faint, light gray text label "Register".
